Guest Speaker

Asif Nawaz Shah
Specialist, Constituency Engagement, COP28

Asif is an urban and climate strategist and partnerships specialist, with a demonstrated history in designing and delivering complex programmes. In his role for COP28, UAE, Asif focuses on strategic partnerships with a particular focus on cities, youth and the just transition. As part of his Firestarter, Asif will share insights ahead of COP28, priorities of the UAE Presidency, and how the built environment can be profiled across the duration of COP28.
#BuildingToCOP Coalition

*United towards a zero-emission, efficient, and resilient built environment and cities for everyone, everywhere*
