About the COP28 Buildings Pavilion

The COP28 Buildings Pavilion is hosted by the Global Alliance for Buildings and Construction (GlobalABC).

Located in Thematic Arena 3 (Energy, Finance, Urbanisation & Indigenous Peoples), the COP28 Buildings Pavilion shares space with the Business Pavilion hosted by the We Mean Business Coalition.

The COP28 Buildings Pavilion aims to be a centre of gravity for the buildings and construction sector to take stock of progress made since COP21 and showcase buildings as solutions for climate action.

From 2 to 10 December, the Pavilion will host around 14 events in line with its daily themes, interconnected with the COP28 Presidency and Marrakech Partnership for Global Climate Action (MPGCA) agendas. All the events will be livestreamed.

This year, our tagline is "Building our future".
Find us in Blue Zone, Zone B7, Building 88, Level 1, Pavilion 240
